# **Pantomimist shines in starring role at Scarborough Downs**

**Scarborough, Maine (May 3, 2009)** – Marcel Marceau could not have delivered any better a performance than Heath Campbell turned in on Sunday (May 3) as the veteran teamster hit every mark to guide *Pantomimist* to the Scarborough Downs winner's circle as the distaff star made her premier appearance of the 2009 season.

Campbell engineered an Academy Award-caliber performance which took full advantage of his patented patient style to track down the early pacesetters in the \$6000 Open-level event. The victorious duo actually pounced from dead last at the top of the stretch to eke out the razor thin margin over *Keystone Natalie* (Rob Dinning) as the Scarborough photo-finish equipment was put to an extremely stern test.

Owned by George Liakopoulos of Bath, Maine and trained from the perennially powerfully Richard Bartlett stable, *Pantomimist* recorded the 17<sup>th</sup> win of her career on Sunday timed while pacing the mile in 1:58.2.

*Keystone Natalie* was second while *Gracie Gracie* (John Beckwith) rallied to secure the show, but there was certainly no argument as to who stole the show on Sunday as *Pantomimist* becomes the latest star to shine at Scarborough Downs this year.

Scarborough Downs proudly features live harness racing every Thursday, Friday and Saturday evening at 4:15 pm (EDT). The popular Sunday matinees feature a 1:30 pm post time.
