Shawn Gray scores 1500th Driving Win

Scarborough, Maine (August 12, 2008) – Shawn Gray today (August 12) visited the winner's circle for the 1500th time in his 15-year driving career after engineering the winning strategy while sulky-sitting Anthony Brannigan's Hurricane Emily at the Maine State Fair at Skowhegan Raceway.

Gray, a 34-year-old native of South Gardiner, Maine recorded the milestone victory 15-years to the day from when the driver first broke his maiden – a 1993 score behind Timer Choice at the County Raceway in Presque Isle, Maine.

While currently sitting fourth on the Scarborough Downs leader's board, Gray is engaged in a neck and neck battle with leading Scarborough driver Drew Campbell for bragging rights on a state-wide basis, with only a scant handful of wins separating the two top-rated teamsters on the Pine Tree Circuit.

A recognition ceremony will be held in the Scarborough Downs winner's circle upon Shawn Gray's next visit to the seaside oval.

Scarborough Downs proudly features live harness racing every Thursday, Friday and Saturday evening at 4:15 pm (EDT). The popular Sunday matinees feature a 1:30 pm post time.
