To Play

- Participants must be 18 years or older to participate.
- Each customer who wants to participate in the **Winner-Take-All Exacta Challenge** must purchase \$10 in exacta ticket(s) on a specified track, named in advance by Scarborough Downs, races 1 through 6. Entry/entries can be a combination of tickets but must equal \$10, no more and no less. Exacta tickets for the Challenge can be wagered on one race, or on any number of races of the 1 through 6, as long as it totals \$10.
- Entrants can participate in Challenge up until the final bell for Race 1, of the specified track, goes off. Once race 1 has gone off, no more entries into the Challenge will be accepted.
- Exacta tickets purchased by each entrant and submitted to the Challenge are the entrant’s official participation into the Challenge.
- The exacta tickets purchased by each entrant go into a specially marked envelope, which is sealed and marked with entrant’s name. At time of submission, entrant signs his name on the envelope which includes information so entrant understands the rules and disclaimers of the contest.
- Exacta wagers for the **Winner-Take-All Exacta Challenge** can be purchased at any teller window, but in order to be part of the Challenge, they must be **submitted** to the specified Scarborough Downs teller at the specified Challenge Window in the Lower Club (Player Rewards window) any time before race 1 of the participating track goes off.
- All signed envelopes containing Challenge wagers will be entered into a locked box at Challenge Window and will be overseen by specified Scarborough Downs teller.
- When the last race of the **Winner-Take-All Exacta Challenge** goes off (race 6), and all results are official, all participating Challenge envelopes will be opened and tickets will be cashed by Teller. Winning credit vouchers (if there are any) are issued, tallied and go back into each participant’s envelope for holding until all participating tickets are cashed.
- Totals are tallied by specified Scarborough Downs Teller on each contest day, with oversight by another Scarborough Downs employee that Scarborough Downs will name.
- Whichever envelope contains the greatest amount in total winnings from all the participating **Winner-Take-All Exacta Challenge** bets, it is the winner and its owner will collect the contents of all envelopes in that day’s challenge; i.e., “Winner Takes All.”
 - **EXAMPLE:** Bob’s tally: \$200, Jim’s tally: \$100, Mary’s tally: \$50. Winner is Bob, who takes the entire pot of \$350.
- Participants are invited to watch the final tallying of wagers by a specified Scarborough Downs teller at the Player Rewards area in the Lower Clubhouse.
- If there is a tie, winnings will be divided among tie winners.
- Once an entry has been submitted, and tickets for entry into the contest are in the envelope and sealed, entrant may not retrieve them, request to cancel them or to change them, regardless if there is a scratch or cancellation.
- It is up to the customer to ensure the proper tickets for the **Winner-Take-All Exacta Challenge** are inside the sealed envelope. If it is determined, at the time of tally, that a

wager for a non-participating track is inside the envelope, customer forfeits his participation in the Challenge but ticket(s) will be returned to him/her.

- Scarborough Downs will notify customers which track will be the track participating in the Challenge ahead time through advertising flyers and posted notices. Participants may purchase the race program from the participating Challenge track as early as it is available, for handicapping. Participating track may not always be the same from week to week.
- There is no limit to the number of times a customer can enter the **Winner-Take-All Exacta Challenge** on any given day. However, players must keep in mind that each envelope's contents are tallied individually and are **not cumulative** with the contents of other envelopes entered by the same person.
- If any individual Exacta ticket cashed from the Challenge pays out \$600 or more, a W2-G form will have to be filled out by the winner. Picture ID, such as a driver's license or Military ID, and Social Security card must be presented.
- Scarborough Downs is not responsible for any mistakes in the tickets or wagers after they have been submitted to the Challenge Window. Please be sure to check your tickets carefully before submitting them!
- Do not have to be present to win. Be sure contact information is filled out correctly and fully on Challenge envelope.
